Dear President Mark McEachen:

The Council on Postsecondary Education (CPE) has received Brown Mackie College - Louisville's Supplementary Application for Notification of Change in Accreditation and Licensure Status Pursuant to 13 KAR 1:020 due to ACICS placing the institution on probation. In accordance with KRS 164.945 - .947 and 13 KAR 1:020 Section 7(1)(e), Brown Mackie College - Louisville is hereby placed on conditional license for failure to demonstrate it consistently operates in accordance with ACICS Accreditation Criteria related to CPE's Standards for Licensure set forth in 13 KAR 1:020 Section 8.

This license is conditioned upon Brown Mackie College - Louisville:

1. Emailing Ms. Sarah Levy notification that the college has submitted its response to ACICS, which is due by November 1, 2016, and providing a copy of the response to CPE.
2. Providing CPE with any ACICS correspondence related to the probation order, including any further related actions.
3. Providing any other updates upon CPE request until such time as the college is no longer on probation with ACICS.

Once CPE receives assurance that Brown Mackie College - Louisville has satisfied these conditions, CPE will remove Brown Mackie College - Louisville from conditional license status. A conditional license may not exceed two (2) years. Failure to satisfy the conditions in that time frame may result in revocation of Brown Mackie College - Louisville's license or an extension of the conditional license upon request of the institution with supporting justification.

If you have any questions, please contact Ms. Sarah Levy, Director of Postsecondary Licensing, at (502) 573-1555, Ext. 350, or email at [sarah.levy@ky.gov](mailto:sarah.levy@ky.gov).

Sincerely,

Robert L. King  
President
